5. Consider possible schedule for payback from water to incorporate the water meter.

Discussion on Semi-Annual payments using the last water meter replacement as a sample but, for a shorter time period.

The outstanding balance of the last water meter replacement/water tower needs to be considered.

The exact schedule and amount cannot be decided on as more information is needed.

Issue tabled for a later date.

Additional:

Public Works Spray Truck has a bad A/C compressor is bad, the repair cost would be \$600.00 but may cost up to \$1,000.00 more.

The Director of Public Works does not think it is worth fixing and is asking for the purchase of a new or used truck.

Bertolino wants a firm quote on what the fix will cost.

Ryan Calloway will be tasked with getting a firm quote from Main Street Tire to totally fix the A/C.

Discussion on purchasing a used military vehicle thru GSA.
